RESORT PARKING

Parking is located at the Cumberland Street Parking Garage - 90 Cumberland Street, Charleston, SC, 29401.

Parking through the hotel is a daily flat rate of \$20.

Lost or damaged parking passes will result in a replacement fee of \$75.00. Please note parking passes must be returned to the Resort upon check-out.

Those with handicap placards receive complimentary parking.

Please note, parking for the resort is on a first come, first serve basis as the garage has limited parking. Currently, we match the price of the parking garage so in the event that we run into a situation where we are out of passes, the guest will still pay the same amount for parking, just directly to garage as opposed to paying the garage through the hotel.

INTRODUCING KIPSU

Our goal is to make your visit as enjoyable as possible. To help us reach this goal, we have joined Kipsu. Kipsu gives our team a single dashboard to communicate with you - our guests! Through Kipsu we can communicate via text message. Once you arrive, provide our guest service representative your cell phone number and we can connect instantly! You will initially receive a welcome text message and just reply from there.

Need towels? More coffee? An excellent restaurant recommendation? Send us a text message through Kipsu and a Guest Representative will respond to your text message and accommodate your request.
