RESORT AND CLUB

PROPERTY OVERVIEW

Attracting visitors year-round with its beautiful beaches and bay access, the town of Mashpee, Massachusetts is thought by locals to be one of the most beautiful areas in Cape Cod. With its close proximity to the plenty of water (beaches, ponds, and bays!) paired with its close vicinity to Martha's Vineyard and Nantucket, Mashpee has developed into a large fishing and boating community.

Located just minutes from these attractions and offering guests all the comforts of home is the Southcape Resort and Club - featuring two-bedroom accommodations that are laid out in either a townhouse or ranch style.
