# GUEST INFORMATION / AREA ATTRACTIONS

## BEACHES

Cape Cod has approximately 600 miles of coastline, and our 115 sandy beaches are among the best and most scenic in the world. The Cape Cod National Seashore, established in 1961 by President John F. Kennedy, is a 40-mile stretch of beach on the outer cape that includes the great Outer Beach of which Henry David Thoreau once said, " a man may stand there and put all America behind him."

### Mashpee Beaches

Close to your current vacation "home," the Town of Mashpee has a wonderful, mile long, saltwater beach and two freshwater pond/lake beaches. To park at town beaches during the summer season, you must have a resident sticker, weekly pass or Mashpee Tribal Sticker. Resident stickers must be affixed to vehicle for entrance (Southcape owners may purchase a weekly resident pass at the Mashpee Town Hall). Non-residents may park in the state parking lot for a daily fee during the summer season. Residents over the age of 62 are entitled to a free pass to the state park.

### South Cape Beach

Directions from the Mashpee Rotary: Take Great Neck Road South. Bear left onto Great Oak Road just past New Seabury. Follow Great Oak Road which will veer left. Continue down to State & Town Beach parking lots.

### John's Pond

Directions from the Mashpee Rotary: Take Route 151. Take 3rd right after Andy's Market, onto Ashumet Road just before the Barnstable County Fairgrounds. Follow to the end, go right onto Hooppole Road. Follow Hooppole to the end, go right onto Back Road. Follow Back Road down past Otis Trailer Village to Pond.

### Attaquin Park

Directions from the Mashpee Rotary: Take Great Neck Road North then take a left on Route 130, and the entrance to Attaquin Park will be on your right.

## BICYCLE TRAILS

Cape Cod has many bicycle paths for you to enjoy. Here are a few we recommend that would make nice day trips for you and your family.

### Shining Sea Bike Path, Falmouth

Scenic 3.5-mile level path from Falmouth to Woods Hole. From Mashpee, follow Route 28 through downtown Falmouth. At the end of Main Street, take a left onto Locust Road, toward Woods Hole. Free bikeway parking within 1 mile on the right.

### Cape Cod Canal, Sandwich Marina

A 6.5 mile level trail along the Cape Cod Canal. Follow Route 130 to Route 6A in Sandwich from Mashpee. Cross over Route 6A onto Tupper Road. Follow signs to Cape Cod Canal and Sandwich Marina (on left).

### Cape Cod Rail Trail, Yarmouth to Orleans

Formerly the tracks of the Penn Central Railroad, this 27.5-mile trail takes you through Harwich, Brewster and Orleans and connects to various other trails. Follow the Mid-Cape Highway heading toward Provincetown. Get off at Exit 8 and bear right. The trailhead now starts at a new extension in Yarmouth, where it meets a local bike trail at Peter Homer Memorial Park.

## NANTUCKET & MARTHA'S VINEYARD

Take a ferry to the storybook islands of Nantucket or Martha's Vineyard, each with its own unique flavor. Nantucket, once the whaling capital of the world, is quaint and charming with cobblestone streets, upscale shopping and excellent restaurants. It lies 30 miles offshore. Martha's Vineyard, famous for its Victorian gingerbread houses and resident celebrities, is located 7 miles off the coast of the mainland.

## HIKING & WALKING TRAILS

### South Cape Beach State Park

In addition to its 3.5 miles of ocean and bay beaches, sand dunes, coastal ponds and salt marshes, the park maintains the 0.8 mile Great Flat Pond Trail, extending through coastal forests and marshes. Also, there are over 3 miles of sand roads for hiking. From the Mashpee rotary, take Great Neck Road South to Great Oak Road. Follow to the State Park sign and turn left into park.

### Jehu Pond Conservation Area

The majority of this 77.6-acre property was bought in March 1997 from the Bufflehead Bay Nominee Trust. At the same time an adjacent 280 acres were purchased by the U.S. Fish & Wildlife Service as part of the Mashpee Wildlife Refuge. The combined properties include extensive pine/oak woodlands, salt and freshwater marshes, two islands, a freshwater stream, abandoned cranberry bogs, at least one vernal pool and Atlantic white cedar swamps crossed by 4.27 miles of woods, roads and walk- ing trails. From the Mashpee rotary, take Great Neck Road South to Great Oak Road. Follow 1.3 miles toward South Cape Beach to the Conservation area sign and parking area on the right.

## LIGHTHOUSES

A part of our rich maritime history, there are 16 lighthouses on Cape Cod, each with its own story. Many of these are open to the public. Nobska Lighthouse located in Woods Hole, about a 20-minute drive from the resort, is one of the most photographed lighthouses in the country.

## WHALE WATCHING

From April through October, Cape Cod is one of the best spots in the world for whale watching as the Massachusetts coastal waters contain several prime feeding grounds. If you are visiting us during this time, a whale-watching trip is truly an unforgettable experience. Check with the Front Desk for trip information. Discount coupons are frequently available.
